GREAT GAME

Twelve-Inning Battle Yesterday
Goes to the Maysville Team
—Rattling Finish

The Maysville-Frankfort game yester-
day afternoon developed into a bat-
tle for points, and was drawn out to 12
innings by pretty evenly matched
playing, in which the home team had
the best of it and won out in their
usual rapid-fire finish.

Grover redeemed himself by scoring
the only two runs made. He swiped
the ball against the right field fence

and went to second, when only a little
more altitude of the sphere would have
sent it over into East Second street,
giving him a homer.

Both Wahl and Vance pitched a fine
game.

The score by innings:
Maysville.....0 0 1 0 0 0 0 0 1-2
Frankfort.....0 0 0 1 0 0 0 0 0-1

Batteries—Frankfort, Wahl and Gid-
do; Maysville, Vance and Woodruff.
Two-base Hits—Dowell, Konnick,
Grover.

Three-base Hit—Dowell.
Sacrifice Hits—Comingore, 2;

Stolen Bases—Nicholson, Donica.
Base on Balls—Off Vance, 4.
Struck Out—By Vance, 8; by Wahl, 8.

Left on Bases—Frankfort, 10; Mays-
ville, 6.
Double Play—Konnick to Seebach
to Hughes.

Passed Ball—Gid-do.
Hit by Pitcher—By Wahl, Clever.
Time—2:15.

Umpire—Mulligan.
Attendance—400.

Double-header this afternoon be-
tween Maysville and Frankfort. Beer
and either Sanford or Wielman will
pitch for Maysville.

Anyhow, Maysville has thus far won
every game on the home grounds—
four.

WILTON VELVET RUGS

Lead in Service.

We Lead in Size of Stock.

We would rather sell Wilton Velvet Rugs than any
other because we are sending into your house the best
that can be made. They combine Oriental heaviness with
American integrity. Every thread will hold its own in
the battle of service. Every tint and color will retain
its shade so long as a vestige of the Rug remains.

Of course it cost was no consideration we would all
choose the handmade Oriental rugs but they are far too
expensive for most of us to reach. However, American
ingenuity has devised machinery to do the work of
human hands—at tremendously less cost. So Wilton
Velvet Rugs are the modern luxury, so reasonably
priced everybody may enjoy them.

We have a big assortment. Come in and let us
talk Rugs to you.

The Pleasure of the Porch

Is increased many fold by the use of Vudor Shades.
They make the porch available at any hour of the hot-
test day—a cool retreat, breeze-open, but protected from
the sun's heat.

Vudor shades are made of wide strips of linden
wood firmly bound with strong seine twine. They can
be seen through from the inside, but not from the out-
side. They are artistically stained with water-proof
colors in greens and browns. They last for years.
Vudor Shades must not be confused with the flimsy,
ragged and cheap-looking bamboo screens.

Single Shades Cost From \$2.75

FOR PRESIDENT,
WILLIAM HOWARD TAFT.

In Southern California the most important of the great and growing industries are dependent upon stable government and the preservation of the Protective Tariff from sudden and ill-considered changes.—San Francisco Post.

A Pennsylvania judge having decided that a voter's home is where his wife lives, the nine husbands of that Alleutown woman who was sentenced to jail for a year for polygamy will know where to hang their hats.—Springfield (Mass.) Union.

It appears that the Colonel has changed his mind regarding reciprocity with Canada.

When President Taft had that proposition under consideration, the Colonel more than once in public speeches approved it, and pleaded with the people to unhold the hands of the President in his efforts to bring about reciprocal relations with the nation at the north of us.

To-day he says he is opposed to reciprocity with Canada. It is not to be wondered at with these right-about-face movements of the Colonel before them that the people are anxious to know whether or not he has changed his view of the Tariff.

It could do him no harm to be frank with the people and let them know whether or not he is a Protectionist now. He has said nothing upon this important subject since he tossed his hat into the ring, and we are of the opinion that the citizens of Trenton and other cities that depend largely for their prosperity upon the Protection of their industries are as much interested in the attitude of Colonel Roosevelt towards the issue of Protection as they are in his attitude towards the courts and the recall of judicial decisions.—Trenton Gazette.

At Lexington Judge Charles Kerr handed down a decision in the Circuit Court in adjudicating the fees to receivers and attorneys in the case of the Southern Mutual Plucking The Public. American Reserve Bond Company and the old Southern Mutual Investment Co., preliminary to a final settlement with the claimants; allowing the Receiver, James C. Rogers, \$25,000 for his services and \$50,000 to be divided between three legal law firms, Batson & Washer, Louisville; Allen & Duncan, and Forman & Forman, Lexington. Amounts already paid them for legal services to be deducted from this amount. Fees that have already been paid are referred to the Master Commissioner for approval.

Think of that. Nearly \$100,000 goes into the pockets of legal sharks when it ought to go into the hands of the widows and orphans and the poor and credulous investors who put their hard-earned money into these seemingly sound ventures only to be robbed by the scheming officials in charge of the companies. We know of one aged widow who lost \$800 in the concern and worried herself into the grave over it. Its tough, but how the lawyers welcome such picking. And what a boost it will be for these sharks to feast on and boast of.

Isn't it rather late in the day for the Colonel to be saying that he is against reciprocity, which he has heretofore favored?—Jersey City Journal.

Pretty nearly everything in the Republican party that Roosevelt is criticising was happening all the time he was bossing it; a fact that would be somewhat embarrassing to anybody else.—Harlan Enterprise (Rep.)

Colonel Roosevelt has always been a good Protectionist. Still, if all other issues fail him, the Colonel could easily step over to the other side and out-bellow Bryan in demanding Free-Trade—for the relief of the people from the extortion of the special interests.

Mr. Taft will be renominated. The country has not gone crazy and the Republican party is not a fool. If it can't elect Taft, it can't elect anybody. Compromise would spell repudiation and repudiation would spell disaster. Taft did not need Illinois, Pennsylvania and Wisconsin in 1908 and he doesn't need them now. He already has 337 delegates and is sure of 232 more at least, making a clear majority on the first ballot. Roosevelt can continue to snort and chortle all he likes. He can't change the inevitable result so long as William H. Taft's heel is in the ground. And it is in the ground and going to stay there. Make no mistake. We know what we are talking about.

The Call To Arms.

Wake up, Republicans!
Down with the Demagogue!
Smash the Third Term!
Save the Republic!—Harper's Weekly.

Political Pickings

Nebraska State Journal: We like Robert La Follette because he says what he wants to say and doesn't stutttter in saying it.

Helena (Mont.) Record: The Democratic revision method is to use blacksmith's tools in dealing with the Tariff.

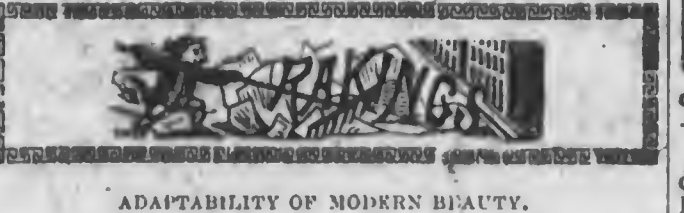

Louisville Times: The Colonel is proceeding on the theory of that other great American showman, Mr. P. T. Barnum, that the American people like to be humbugged.

New York Commercial: Roosevelt has done more harm to the business and industries of the country than any other man who ever figured in public life.

Washington Star: Mr. Roosevelt understands the real situation. He is talking through that hat he has made famous. He could not break the South this year with a sledge hammer.

Milwaukee Sentinel: Champ Clark's sister will be a Colorado delegate to the Democratic National Convention with instructions to vote for her brother. This is one case in which a woman is not likely to change her mind.

Cleveland Plain Dealer: New England has formed a shoe-string trust. Let's all agree to wear button shoes and then laugh at it.

ADAPTABILITY OF MODERN BEAUTY.

"George Washington would have been shocked by our wonderful modern beauty shops," said Miss Ethel Barrymore, apropos of the approaching summer, at a tea at the Colony Club in New York, says the Pittsburgh Dispatch.
Miss Barrymore, to whom the services of a beauty shop are never necessary, went on with a smile: "I heard of a young man the other day who said to his best girl: 'I visited that fashionable Fifth Avenue palmerist this afternoon and he told me I'd marry a blonde.' 'The girl, who was very dark, said thoughtfully: 'Did he say when the marriage would take place?' 'Yes, in three months.' 'Well, I can easily be a blonde by that time, and the girl with a shy smile.'"

Elgin, Ill.—"After fourteen years of suffering everything from female complaints, I am at last restored to health. 'I employed the best doctors and even went to the hospital for treatment and was told there was no help for me. But while taking Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use until I was made well.'—Mrs. HENRY LEISEBERG, 743 Adams St. Kearneysville, W. Va.—"I feel it my duty to write and say what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female weakness and at times felt so miserable I could hardly endure being on my feet. 'After taking Lydia E. Pinkham's Vegetable Compound and following your special directions, my trouble is gone. Words fail to express my thankfulness. I recommend your medicine to all my friends.'—Mrs. G. B. WHITTINGTON.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills. For special advice write to Medicine Co. (conf.) by a doctor.

An Amazing Proposition

The Board of Bishops of the Methodist Episcopal Church, in a report submitted to the General Conference in session at Minneapolis, advised the abolishment of the Church rule prohibiting dancing, card playing, gambling and attendance at theaters and circuses on the ground that it is obsolete.

Please Kill That Fly! Why? Because!

Flies breed in masses and other filth. Flies walk and feed on excreta and sputa from people ill with typhoid fever, tuberculosis, diarrheal affections and many other diseases.

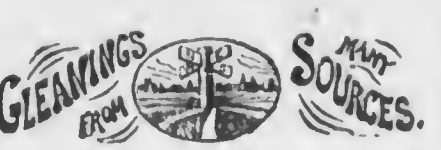

One fly can carry and deposit on our food 6,000,000 bacteria.

One fly in one summer may produce normally 195,312,500,000,000,000 descendants.

A fly is an enemy to health—the health of our children, the health of our community.

A fly cannot develop from the egg in less than eight days; therefore, if we clean up everything thoroughly every week, and keep all manure screened, there need be no flies.

IN MAYSVILLE

THE EVIDENCE IS SUPPLIED BY LOCAL TESTIMONY

If the reader wants stronger proof than the following statement and experience of a resident of Maysville what can it be?

Mrs. Della Lunsford, 328 E. Front street, Maysville, Ky., says: "Doan's Kidney Pills completely and permanently cured me of kidney complaint and I am glad to confirm all I said in 1908, when I publicly endorsed them. I attribute my kidney trouble to a strain which started with sharp shooting pains through my kidneys, and a dragging down feeling through my hips. I was afflicted regularly with dull headaches and dizzy spells, and often if I had not caught hold of something for support I would have fallen. I was in that condition for several years, one week and in bed the next. I finally began to notice the symptoms of dropsy, and in a short time I was suffering from this trouble. My feet began to swell and my hands also were afflicted at times in the same way. At night I was restless and always felt tired. I read of a similar case being cured by Doan's Kidney Pills, and I got this remedy at Wood & Son's Drug Store. They relieved me so much from the first that I got another supply, and before long I was entirely cured. Doan's Kidney Pills saved my life."

"I was under the treatment of two doctors," writes Mrs. R. L. Phillips, of Indian Valley, Va., "and they pronounced my case a very stubborn one, of womanly weakness. I was not able to sit up, when I commenced to take Cardui.

I used it about one week, before I saw much change. Now, the severe pain, that had been in my side for years, has gone, and I don't suffer at all. I am feeling better than in a long time, and cannot speak too highly of Cardui."

WHY CHILDREN ARE PUNY

Need More Food—Richer Blood, Better Appetite

Anxious parents often wonder why their children are so thin, pale and nervous and have so little appetite.

Growing children need "lots" of food. They use so much energy in play, and their growing bodies require so much more, that unless they eat heartily they are bound to suffer.

A Bloomfield, N. J., mother, Mrs. E. W. Cooper, says: "My little girl had a bad cold and was run down in health for six weeks. Then I gave her Vinol and it was a wonderful help, breaking up her cold quickly and building up strength besides. I have also found Vinol an excellent tonic for keeping up children's strength during 'whooping cough'."

Our delicious tonic, Vinol, is a wonderful appetizer and you can see children improve day by day under its use. It enriches the blood and builds up the body, making pale, delicate children rugged and rosy.

We guarantee Vinol to do this, if it does not, you get your money back. John C. Pecor, Druggist, Maysville, Ky.

SOCIETY

The social happening of Monday, May 6th in the Shanon neighborhood was the entertainment given in honor of the bride-to-be, Miss Alice Dallas, daughter of Mrs. I. N. Watson, given by her cousin, Mrs. R. T. Watson at her hospitable home as a miscellaneous shower.

Those present were: Mrs. I. N. Watson and daughters, Mrs. Alice Prather, Mrs. J. E. Gault, Mrs. J. Foster Gault, Mrs. R. G. Gault and daughter, Lillian Marie, Mrs. A. J. Stiles, Mrs. Rufus Stiles, Miss Hazel Stiles, Mrs. N. D. Clerly, Mrs. E. C. Forman, Mrs. Roscoe Clark, and Miss Bettie Reese of Shanon; Miss Dora Wiggins, Miss Grace Fleming and Miss Margaret Wood of Sardis; Miss Mary Crawford and Miss Lela Gault of Murphysville; Mrs. Dye Collins and Miss Mamie D. Crockett of Maysville; Grace Owens and sister of Germantown.

The bride-to-be's gifts consisted of handsome silverware, lovely hand-painted china, elegant cut glass and beautiful linen. The hours of receiving were from 3 until 5. At 4 refreshments were served and strains of beautiful music rendered on the piano by Miss Mary Crawford.

The refreshments consisted of ices, cakes, mince and hot chocolate. Mrs. R. F. Gault and Miss Jeanie Watson assisted the hostess in receiving and entertaining.

The bride-to-be wore an elegant white reception robe, which was very becoming to her style, on such an elaborate occasion. The afternoon was pleasantly spent in the parlor and dining-room. The color scheme of decoration was white and purple. The white tapering candles in the golden candelsticks shone with splendor at the luncheon hour upon the silver, decorated china, cut glass and drawn lines.

The evening closed with words of appreciation from the bride and pleasant courtesy to the hostess, Mrs. R. T. Watson, who is ever more pleased than celebrating her own friends, and the evening will long be remembered as a pleasant one.

THE OLD PLEA

He "Didn't Know it Was Loaded"

The coffee drinker seldom realizes that coffee contains the drug, caffeine, a serious poison to the heart and nerves, causing many forms of disease, noticeably dyspepsia.

"I was a lover of coffee and used it for many years and did not realize the bad effects it was gathering from its use. (See in just an injurious as coffee because it, too, contains caffeine, the same drug found in coffee.)"

"At first I was troubled with indigestion. I did not attribute the trouble to the use of coffee, but thought it arose from other causes. With these attacks I had sick headaches, nausea and vomiting. Finally my stomach was in such a condition I could scarcely retain any food."

"I consulted a physician; was told 'all my trouble came from indigestion, but was not informed what caused the indigestion. I kept on with the coffee and kept on with the trouble, too, and my case continued to grow worse from year to year until it developed into chronic diarrhea, nausea and severe attacks of vomiting. I could keep nothing on my stomach and became a mere shadow, reduced from 159 to 128 pounds."

"A specialist informed me I had a very severe case of catarrh of the stomach which had got so bad he could do nothing for me and I became convinced my days were numbered."

"Then I chanced to see an article setting forth the good qualities of Postum and explaining how coffee injures people so I concluded to give Postum a trial. I soon saw the good effects—my headaches were less frequent, nausea and vomiting only came on at long intervals and I was soon a changed man, feeling much better."

"Then I thought I could stand coffee again, but as soon as I tried it my old troubles returned and I again turned to Postum. Would you believe it, I did this three times before I had sense enough to quit coffee for good and keep on with the Postum. I am now a well man with no more headaches, sick stomach or vomiting and have already gained back to 147 pounds." Name given by Postum Co., Battle Creek, Mich.

Sensible Women Know Foundation of Health

As health talks to women become more general, both in the newspapers and on the platform, the mass of women are beginning to realize what the more cultivated have always known, that good health cannot be found in a powder box. The external of health may be obtained in that way, but the basis of health lies deeper, and yet is just as easily obtained.

The most important thing that a woman can do for herself, and about which she is often most neglectful, is to watch the condition of her stomach and bowels. The weary eyes, the bad breath, the frequent headaches, the pimples, the general air of lassitude is nine times out of ten the result of constipation or indigestion, or both. Many simple remedies can be obtained, but the best in the estimation of most women is Dr. Caldwell's Syrup Pepsin. It is mild, pleasant to the taste and exactly suited to her needs. It is far
